Investor Packages

We help women on the brink with one-time monetary assistance.

Distributions can cover the cost of a wide variety of needs, such as housing, transportation, utilities, childcare, medical expenses, and more. The maximum distribution is \$1,500 per applicant.

Social workers and case managers from non-profit agencies in Delaware work with women to make referrals for monetary assistance through Good Friends of The First State.

Your donation covers administrative expenses, luncheon costs not covered by ticket prices, and assistance to those in need.

100% of donations stay within our Delaware community for women in need.
